### **The New Translation of the Roman Missal, Third Edition**

The USCCB, United States Catholic Conference of Bishops, has directed Diocesan Bishops to allow gradual implementation of the various musical settings of the Order of Mass from the Roman Missal, Third Edition, effective September 2011. St. Philip's Music Ministry will present some of these changes prior to the Masses beginning September 25. We will continue to sing the Heritage Mass by Alstott, which is familiar to the congregation. There are only slight changes to the Holy. The Gloria will also be introduced and we ask that the congregation follow along and participate as the melody and text become familiar to you. Inserts containing the new translation for the Holy and Gloria will be supplied to you in the pews, along with the Mystery of Faith. We have already been singing the Mystery of Faith, "When we eat this bread..." The Great Amen and the Lamb of God will remain the same with the familiar melody of the Heritage Mass. Thank you for your patience as we introduce the new musical settings for the Mass.

*Jean Martin, Director of Music*

Please be mindful of the ministry of the parish musicians and their concentration on the liturgy.

*“If the space occupied by the choir and instruments is visible to the assembly, it must reflect the sacredness of the music ministry.”*

**SCHOOL NEWS** It seems like just yesterday that we were saying goodbye for the summer. Suddenly, September 7<sup>th</sup> was here and our 2011-2012 school year had begun! We've adjusted nicely to our new routines and we're off to a great start. We will continue to carry out our mission which is to educate using Christian values in order to strengthen the knowledge, respect, and faith already present in our children, creating productive citizens in a global society. In doing so, we are very excited about a new program that is currently being implemented at SPN called the **Peaceful School's Program**. This program helps to create safe, caring, successful schools by integrating different strategies that aim to improve student behavior and boost learning. These strategies target areas such as conflict resolution, school-wide positive behavior, and classroom management. There are visuals in many areas around the school depicting "peace." Come see for yourself! Fall sports are off to a great start. Instrumental programs have been introduced. Many new families have been welcomed to SPN. Weekly liturgies have begun. Fire drill routines have been reviewed. Hot lunches have been ordered. Homework has been assigned! The new school year brings the start to so much, but one thing remains ongoing and that is the power of prayer. Please continue to keep the entire St. Philip Neri School Community in your prayers. Thank you. Happy fall!
