### **SAINT PHILIP NERI School News**

This past summer, St. Philip's administered an **online parent survey**. The results have been compiled and we are pleased to report that the satisfaction levels across the board indicate that there is much to celebrate at SPN. There was a high degree of satisfaction with our programs, school, facilities, and instruction. There were also many suggestions made regarding areas of improvement for our school. The candid responses were much appreciated as we actively address these areas and keep our school families abreast of the progress being made. We honored **saints and souls** this month as we began November with our annual Saint's Parade. The 8<sup>th</sup> grade partnered with their 2<sup>nd</sup> grade prayer partners and paraded into church to celebrate the lives of many saints. A wonderful job was done by all as the younger children dressed as their patron saint and told why we honor them. Our **fall book fair** was a great success. It was a huge support for reading. Enough profit was made to be used for our annual author's visit in March. Money was also raised for our library along with Scholastic giving up to 80 books to children's literacy programs. Thank you to everyone who supported this very important event. In keeping with our Wellness objectives, SPN celebrated **National Apple Crunch Day**. We did our part in promoting healthy nutrition by inviting students to taste fresh apples and sip apple cider while hoping to encourage healthier eating habits and attitudes related to good health. This was a great kick-off to achieving our goals related to wellness throughout the rest of our school year. Sixteen fourth graders were installed as **peer mediators** this month during one of our weekly liturgies. The liturgy focused on peace, representing the program's philosophy of showing everyone dignity, respect, honor, and importance. After a day and a half of training with

counselors from the Montgomery County Intermediate Unit, our peer mediators gained an understanding of conflict being a normal part of living and mediation being a respectful way of resolving that conflict. These students are helping to make our school a better place by creating positive ways to resolve conflict. Congratulations and thank you to all of our peer mediators! **Una Bella Sera** was had by all on Saturday, November 13<sup>th</sup>. St. Philip's Home and School Association hosted a live and silent auction where over 200 people attended. Parents, faculty, administration, and community members enjoyed delicious food, good friends, and spending a little money! Whether it was a pew and parking space for the children's Christmas Eve mass or a dinner prepared by faculty, there was so much to go around. Through unending efforts by those in charge, it was a huge success! St. Philip's hosted their first of two **open houses** this month. There were numerous people who came to visit our school. Whether it was during the morning or the evening open house hours, there were many visitors walking the halls, enjoying a tour given by our generous parent volunteers and enrollment committee. We have so much to be proud of at St. Philip's and given the opportunity, like hosting an open house, we are able to spread the good news of the value of a Catholic education.

### **Word of Life**

Every child conceived by in vitro fertilization is truly deserving of respect and love. Each is a human person, regardless of the manner of conception.
