Pastor's Notes: We are looking forward to the visit of Pope Francis on September 27th. However, many of us will not be heading into the city for the live audience. St. Philip Neri will be hosting a pot luck meal with live streaming of the Papal mass. This will be a wonderful opportunity to be part of a community while witnessing this historic moment for the Church of Philadelphia. Please keep an eye out in the bulletin for more information in early September.

Census Envelope Mailing: The Census mailing was mailed out last week. Due to an error by the publisher, vital parish information was not included on the return envelope. The publisher has since sent a second mailing with a corrected return envelope. If you have not already returned your Census envelope, please use the envelope included in the second mailing. Sorry for the inconvenience and thank you in advance for your contribution to the Census collection.

WORLD MEETING OF FAMILIES UPDATE:

The Festival of Families, held on Saturday, September 26, 2015, is an international celebration of family, community, and faith. Everyone is invited to join in this joyful, global celebration of support and love. During this event, high-level performers, both music and visual, will entertain and educate participants from around the world. The culmination of the Festival will be a nationally broadcast main stage program of music and spectacular visual arts performances by world renowned artists, including Andrea Bocelli, Columbian Superstar Juanes, and the Philadelphia Orchestra. Pope Francis will celebrate with us during this time, both to enjoy the show and to listen to six families from different continents briefly describe their joys and challenges. The Holy Father will respond with compassion and words of wisdom for all of us, speaking to those present at the event (more than a million) as well as the additional millions participating through remote viewing. In addition to the main stage, there will be a second stage and exhibits. The second, smaller stage will feature performances throughout the day by many cultural groups, educational institutions, and spiritual organizations
