Dear St. Philip Neri Families & Friends

We give praise and thanks to God for the graces He has given us. In today's Gospel we read "the road to Emmaus". This encounter captures the essence of the Christian Faith, as it reveals to us the transforming power of encountering our Risen Lord. As we journey along the road with Cleopas and his companion, we witness their confusion and despair as they discuss the recent events of Jesus' crucifixion. They had hoped that Jesus was the Messiah, but their hopes were dashed when He was put to death on the cross. They were lost and discouraged and could not make sense of what happened. A stranger approached them. They did not recognize it was Jesus, so they continued to walk together. As they walked along the road, this stranger to them, began revealing how everything that had happened was part of God's plan. The stranger's words ignited a spark of hope within them, and their hearts burned with a newfound faith. It was only when they reached their destination and sat down to eat that they realized the stranger was, in fact, the Risen Christ. It was then that they understood the true significance of all that had happened – that Jesus had conquered sin and death and brought new life to all who believed in Him. This story speaks to us today, as we too face moments of confusion, doubt, and despair. We too may feel lost and discouraged, unable to make sense of the challenges and struggles that we encounter in life. But we must remember that we are never alone, for Jesus walks beside us, guiding us along the road of life.

St. Philip Neri, pray for us.
Please invite someone to Mass.
Fr. Szparagowski

Church Roof Update

The 2nd collection today will be used for our roof replacement project. Your past donations to the Capital Replacement Fund has allowed us to set aside monies for extraordinary expenses such as this, however it will not cover the total cost. This collection will help off-set the difference. There will be another roof replacement collection on May 21st. Please be as generous as your budgets allow. In the past you have always come through with great generosity, and relying on that spirit of support, we as a parish family will get our roof replaced. I will keep you updated and thank you for all you do to make St. Philip Neri a loving and caring parish.

Spiritual Adoption Program

Development of Your Baby / My heart is Beating!

Your spiritually adopted baby has been quite active over the past month. Already your baby is 10,000 times bigger than at conception. Your baby has developed the foundations of his brain, spinal cord, and nervous system by the 20th day. His heart began to beat on the 21st, pumpin blood through its own circulatory system and the blood type can be different from his mother's. Your baby is most vulnerable during the next month of being aborted. Pray that the Lord of Life might move the heart of his mother to give him the most precious gift of all—the gift of life.
