

## **Dress Code for Saint Philip Neri Altar Servers**

**Given that servers are present in the most sacred part of the church building, the Sanctuary, where the Holy Eucharist is kept, their clothing should reflect this reality.**

Good dress pants (boys or girls) and knee-length skirts (girls) are to be worn as well as good dress shoes. However, the only *exception* would be if a server, *while school is in session*, has gym class on a particular day.

No sneakers, sandals, boots, sweatpants, shorts, jerseys, non-dress T-shirts, or jeans are to be worn when serving at the altar.

### **For Boys:**

#### **Jewelry:**

Watch only.

No bracelets, cords, or chains (except a religious medal). No earrings.

### **For Girls:**

#### **Jewelry:**

Earrings for pierced ears (post only). No hoops. Watch only.

No bracelets, cords, or chains (except a religious medal).

**No nail polish or make-up is permitted.**

**Rule of Thumb: How would you dress for a great and special feast in which you will be meeting a great king?**
